I did get the vmail, and planned to call you later today—as soon as I can clear my plate a bit. Today's one of those days, we've all had them, where the "hurrier I go, the behinder I get" (as my grandmother used to say)!

You said you'd be avail. After 4pm EST, yeah?

Good morning Myles,

EPA Region 4 Administrator Trey Glenn will be in Grenada next week, and I wanted to invite you to a meeting with City/County officials together with representatives from both Senators' and Congressman Thompson's offices. The meeting will take place on **Wednesday, May 30th, from 2:30 to 3:30 pm at 950 L.D. Boone Airport Road in Grenada.**

I also left you a voicemail earlier today to see whether you might have 15 or so minutes to chat later this afternoon or tomorrow ahead of the meeting next week.

Thank you for your interest, and I look forward to hearing from you.
